Confidential, Deliberative process, attorney work product.

Carrie, Simma and Alexis,

I am sure you knew we had the all day meeting on assumption yesterday with Matt, David F, David R, and Lee, and a few things came out of the meeting I need to mention to you and to talk to you all about. We also had the FDEP Sec and his Deputy John Truitt, then after lunch we added a bunch of FWS folks and the Army COE join.

Apparently there is a new potential schedule for submittal. Albeit a lot of stars would have to align to make it happen. The political leadership at some level has decided we should try to get the package from FI by 9/1 and work towards a quick review and decision by early November, before the election.

Ex. 5 Deliberative Process (DP)

Never the less, one critical piece that was not discussed yesterday, and it was noted at the end of our federal/state end of the day discussion, that Matt is bringing home to dc for legal discussions revolves

Ex. 5 AC/DP

Ex. 5 AC/DP

Right now we have a workgroup meeting scheduled for 9 – 11 and then Kathy has an update meeting scheduled for 11-12.

Ex. 5 AC/DP

Sorry to send this so early, but I wanted to give you a heads up of what may be coming.

Phil
